“ A message to Joe Taylor: Joe, I have many fond memories of your mom who was our neighbor for many years. I am praying for you and your family as you say goodbye to her. May God bless you and give you comfort and strength now and in the days to come. I love you, Joe. I have many good memories of you as one of Barry's good friends. Sue Puckett

“ We purchase Ms. Sue's house in 9-19 and she was a fine lady. She always kept a prestine yard and property and in her memory I plan to continue her legacy. I played at this house as a child growing up on Hovekamp and always loved it, little did I know that the Lord would one day bless my husband and me to be able to live there. I know the last several years has been hard on Joe and Malessa and I pray that now they see Ms. Sue out of pain and she knows who she is today and she is walking beside the crystal sea with Charles and the Lord and I do not think it will be long that we are all with her. Heaven gained an angel and she will watch over all of us, her presence is felt. Many prayers and thoughts are being sent your way, Sue you have a new body today and you know who you are and who everyone else is and you do not have to be away from home anymore.
For my sister in Christ you are HOME!
