“ I have known Donna for 15 years, she opened up her home to me with open arms. She made me feel so comfortable as if it was my own home when I first came to Arkansas. Bless her soul she was a wonderful person that taught me how to make Christmas Candy!! We also had so many laughs together!!

“ Momma Jo as I called her... She was my stepmom for 10 years... I grew to Love and respect her as a stepmom... She was ALWAYS my friend... she was hilarious and also determined to defeat the world... I remember when she got her dentures... I brought my two daughters over for a visit (they were about 5 and 6) Momma Jo told the girls that she got new teeth... my girls were curious as to what she meant (not knowing about dentures) And Momma Jo pulled her New teeth out of her mouth and my girls had the biggest eyes in the world... Momma Jo laughed... I laughed HYSTERICALLY... and my youngest daughter whispered in my ear... Momma tell Nana to take her eyeballs out now!!! When I told Momma Jo that .. we both about peed our pants!!! Until we see you again Momma Jo.. We Love you!!!

“ So many fun & sweet memories!! My birthday was Feb. 17th & Donna's was the 18th. I fried my first fresh killed chicken with her back in our late 20s. Skated on a frozen creek with her for the first time too!! Her boys were at my home a lot when I lived next door to her mom, Elsie, in Sidney. She overcame some hard struggles in her life and kept on smiling!! Fly high sweet friend. Heaven is rejoicing!!

“ I've known Donna all my life and we were classmates for 12 years. We had sleepovers at each other's houses. Her sense of humor was amazing, even through great trials. My love to the family and prayers for comfort. Until we meet again, Donna! ❤️
